Last Update: July 2026

Erin Franke

Education

Ph.D. in Statistics — 2029 *(expected)*
Carnegie Mellon University, Pittsburgh, PA

M.S. in Statistics — 2026
Carnegie Mellon University, Pittsburgh, PA

B.A. in Statistics, Minors in Computer Science, Economics — 2023
Macalester College, Saint Paul, MN
Graduated *summa cum laude*

Work Experience

Statistical Programmer — June 2023 - July 2024
Mayo Clinic, Rochester, MN

- Applied knowledge and techniques in data management, programming with R and SAS, statistics and bioinformatics, and workflow management to advance Chronic Lymphocytic Leukemia research.

Baseball Research Fellow — Summer 2022
Minnesota Twins, Minneapolis, MN

- Worked on the Player Development team to analyze baseball strategy using statistical methods.

Research Assistant — Summer 2021
Carnegie Mellon University, Pittsburgh, PA

- Selected as part of a 15 person cohort for summer research in statistics and data science related to sports analytics.

Teaching Experience

Instructor of Record
Carnegie Mellon University

- Carnegie Mellon Sports Analytics Camp (Co-instructor) — Summer 2026

Teaching Assistant
Carnegie Mellon University

- 36-226: Introduction to Statistical Inference *(Head TA)* — Spring 2026
- 36-617: Applied Linear Models & 36-707: Regression Analysis — Fall 2025
- Carnegie Mellon Sports Analytics Camp — Summer 2025
  Co-Guest lectured four sessions
- 36-236: Probability and Statistical Inference II — Spring 2025
- 36-401: Modern Regression — Fall 2024

Macalester College

- STAT/COMP 112: Introduction to Data Science — Fall 2022, Spring 2023
- STAT 253: Statistical Machine Learning — Spring 2022
- STAT 155: Introduction to Statistical Modeling — Spring 2021, Fall 2021
- COMP 123: Core Concepts in Computer Science — Fall 2020

Publications

Under Review

1. Sara Colando[*], **Erin Franke**[*], Gordon Weinberg, and Alex Reinhart. Analyzing Students' Statistics Writing Before and After the Emergence of Large Language Models. *arXiv preprint arXiv:2606.22735*, 2026.
[*]*These authors contributed equally to this work.*

Presentations

9. **Franke, E.** Quantifying the Effect of Super Shoes on Elite Marathoning. Joint Statistical Meetings. Boston, MA. August 2026. (**Invited**)
8. **Franke, E.** & Colando, S. Implication of LLMs on Writing in Statistics and Data Science Courses. 12th International Conference on Teaching Statistics. Brisbane, Australia. July 2026.
7. Colando, S. & **Franke, E**. Analyzing Students' Statistics Writing Before and After the Emergence of Large Language Models. 12th International Conference on Teaching Statistics. Brisbane, Australia. July 2026.
6. **Franke, E.** & Colando, S. Analyzing Statistics Students' Writing Before and After the Emergence of Large Language Models. Electronic Conference on Teaching Statistics. June 2026. (30-minute breakout session)
5. **Franke, E.** Findings, Challenges, and Future Directions for Exploring the National Wastewater Surveillance System (NWSS) Data. Insight Net Annual Meeting. Chapel Hill, NC. April 2026. (Poster)
4. **Franke, E.** & Colando, S. Introduction to GitHub Classroom. Statbytes, Carnegie Mellon University Department of Statistics & Data Science. Pittsburgh, PA. April 2026.
3. **Franke, E.** & Colando, S. Analyzing Statistics Students' Writing Before and After the Emergence of Large Language Models. United States Conference on Teaching Statistics. Ames, IA. July 2025. (Poster)
2. **Franke, E.** & Colando, S. Teaching Data Cleaning and Wrangling with R's `data.table` Package. United States Conference on Teaching Statistics. Ames, IA. July 2025. (Poster and Beyond)
1. **Franke, E.** & Colando, S. Computational Efficiency of R's `data.table` Package. Statbytes, Carnegie Mellon University Department of Statistics & Data Science. Pittsburgh, PA. March 2025.

Grants

2. **Franke, E.** & Colando, S. Travel Grant. 2025, 2026
Amount: $500
Funder: Carnegie Mellon University Department of Statistics and Data Science—Statbytes.
1. **Franke, E.** & Colando, S. `data.table` Ambassador Travel Grant. 2025
Amount: $2,700
Funder: National Science Foundation (Award Abstract #2303612)

Service

Professional Service

- Undergraduate Data Scrollytelling Contest Judge — 2026
- Undergraduate Statistics Project Competition (USPROC) Judge — 2025, 2026
- ASA K-12 Data Visualization Poster Competition Judge — 2025

Carnegie Mellon University Department of Statistics & Data Science

- Meeting of the Minds Poster Competition Judge — 2026
- CMSAConference Paper & Poster Competition Judge — 2025
- Undergraduate Mentor — 2024-
- Open House Committee — 2024-
- TeachStat Working Group — 2024-

Macalester College

- Co-Founding Member of Data Science for Social Good — 2021-2023

Honors & Awards

Carnegie Mellon University

- Weinberg Educational Excellence Award: PhD TA of the Year — 2026
- Passed PhD Data Analysis Exam with Distinction — 2025

Macalester College

- Kaplan Prize in Data Science — 2023
- DeWitt Wallace Distinguished Scholarship — 2019-2023

Other Activities

Macalester College

- Department of Mathematics, Statistics, and Computer Science Office Assistant — 2021-2023
- Varsity Student Athlete — 2019-2023

Skills

R, GitHub, SQL, LaTeX, Quarto
